Success Starts Here

February 2005

Hello Fellow Jaycees!

I hopefully many of you have heard the wonderful news from the South Carolina Year-End Convention. Summerville was awarded the Number One Chapter in the State! Thanks to all of our members and the many volunteers that are the success of our chapter. Our dedication and hard work are nothing short of astonishing, and myself, along with Summerville's board of Directors sincerely thank you.

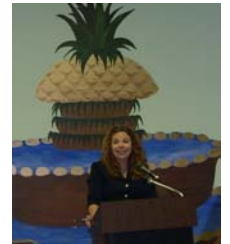

Our February membership meeting will occur on Thursday 2/3/05 at Rob's Place in Summerville. Networking will begin at 7:00pm, and our dinner and meeting will start at 7:30pm. We have a guest speaker, Fred Ruddock with Berkeley/Dorchester A.B.A.T.E. Mr. Ruddock will be discussing Governmental Involvement with our group during the meeting. Please contact me should you need additional information, or directions to Rob's Place. I may be reached at 843-709-0068 or via email at tindall@remax.net.

Our 2005 Calendar is full! I hope to see all of you at the upcoming *Race Expo* benefiting The Victory Junction Gang Camp on Sat. 2/5/05. *The Hunt for the Heart* Scavenger Hunt is just around the corner on Sun. March 6, 2005. The Board of Directors is challenging you to take part in the scavenger hunt and compete against fellow Jaycees from around the state! Please feel free to contact me for additional information and sponsorship information. Thanks again for all your hard work and dedication to the Summerville Jaycees. We look forward to Racing to the Top with you throughout 2005!

Nominations for the very prestigious SC Outstanding Young Americans are coming up. If you know of an outstanding young adult in the categories of Agriculture, Business Leadership, Education, Fitness Leadership, Public Service, Religious Leadership, or Overall Community Service, please contact me to nominate them. The SCOYA is a tremendous honor to receive and I'd love to hear your ideas on nominees.

Thank you,
Shannon L. Tindall

hello Fellow JAYCEES,

..... I would first like to take this time to thank each and every one of you for being a part of this wonderful organization. Without folks like you, we would not be able to do the things that we do to Help People . Without you, Summerville would not be the #1 Chapter in the entire state of South Carolina. So, in all honesty, I Thank You!

..... I would just like to let you all know that we are moving our Member Meeting for February, on Thursday 3 Feb 05. It will begin at approximately 7:30 a.m. **However, instead of our normal meeting place of Scotties of Oakbrook, we will be meeting at a new bar by the name of ROB S.** Rob's is located on Bacons Bridge Road.° If you're heading fromrolley/Bacons Bridge split it's on the right just as the two lanes merge into one.° It looks like an old warehouse.° If you need further directions, feel free to write or call your 2005 President Shannon Tindall at shannon@prattandco.com 843-709-0068. She is familiar with the location.

National US JAYCEES Year-End Convention in Daytona Beach. Registration between now and March 12, is \$160. For more info check out the following web page:

2004 YEAR END Convention

To My Fellow Members,

I am proud to announce that I am your new Individual Development VP.

This past year was a breakthrough year for the Summerville Jaycees. I want to extend great appreciation to Melinda Mazzone our 2004 President for the outstanding job she did with this chapter in the past year. Also, I want to thank all of our members for the effort they put forth in 2004. Without you all Summerville would not be the #1 Chapter in SC and we would not have won the 11 awards we did at the year-end convention. THANK YOU!!!

Listed below are some of the requirements that I must meet to fulfill my obligations as IDVP. Also for the next newsletter I am conducting a Member Survey that is an important tool to your success and the success of this chapter. I want you to ask yourselves one question. What do I want to get out of the Jaycees? Once you answer this question I would like you to fill out the survey and make your board members aware of what it is that you want. Once we know what you want we can make every effort possible to bring you the services you want. This organization is not one in which only has one thing to offer, yet is an organization that has something or the ability to offer its members and the community what they want. This being said take the 5 minutes it will take to fill out next months survey and get what you want out of your time with the Jaycees (no strings attached).

I encourage all of you to come out to our monthly social this month and let us help you. Also one thing that would benefit you all greatly is our two networking socials this month. We have our monthly National Business Networking meeting on the 9th at 8:30am at the Perkins on Main St. Summerville. We then have a Business after Hours with the Summerville Chamber of Commerce at 5:30pm on the 24th. The location has yet to be determined. For questions or comments call me at 843-324-3029 or email me at olen.gifford@charleston.af.mil.

Thank you, Dane Gifford-IDVP

Birthday wishes for our Cupid Babies..

I want to thank each and every one of you for being a member of the Jaycees. If you know someone that we can help, please refer them to us. Rather it is for a job, or something much different. We help people and I would like for everyone to know that we are the next Generation.

NBN Networking Team will meet this Wednesday at Perkins on Main Street. If you re in business to promote yourself, come join us.

For more information call 568-0509 or show up at Perkins on February 9th 8:30am.

Member invoices will be going out this month. Please pay what you can and our business sponsor time will take care of the rest.

In the Jaycee Spirit,
Melinda Mazzone

Hey Gang! (Victory Junction Gang, that is!)

February 5th is HERE!° The 1st Annual ***Race Expo*** benefiting The Victory Junction Gang Camp is off and running!° I personally ask that each of you attend the event in support of one of my favorite charities.° We have successfully secured entertainment, local vendors, race vehicle exhibitors and attendees over the past few weeks.° Please continue to assist us in promoting this exciting event.° If you need tickets to sell, or fliers to pass out, please contact me at 843-200-3979.°

The Summerville Jaycees are involved in many community projects throughout the upcoming year.° These projects are designed to help raise money to benefit community development, as well as working to better our community as a whole.° Should you see a specific need in our community, please speak with me about it.... fresh ideas are what help keep our chapter operating; making Summerville an overall nicer place to live is what becomes of it.

I'd personally like to thank all of our members, board of directors and volunteers for a successful 2004...after all, Summerville is currently the No. 1 chapter in the state!° Thanks again, and keep up the good work ~ let's do it again in 2005!

Feel Your Heart Race!
